

**NTR INC. CANOE LIVERY**  
**BOLIVAR, OHIO**  
**RENTAL AGREEMENT AND PARENTAL RELEASE**

Welcome to NTR Canoe Livery. As you set out on a scenic journey upon this historic river, please realize that canoeing, kayaking, and tubing, as any adventure, entails some risks and hazards, and can result in injury or death. A canoe by its very nature sacrifices balance for speed and sleekness, and the occupants must take care to maintain a center of balance and keep the canoe lined up with the current. Obstacles in the river represent possible hazards and should be respected. Changing river conditions at times result in quick currents, and the necessity for alert and responsible operation of the canoe. Please examine your equipment and report any problems before beginning your trip. Wear your life jacket. Please return equipment in the same condition as when received.

In consideration of my use of property and equipment of Nature Trail's Rental, and with full knowledge of the risks and hazards involved in the use thereof, I voluntarily assume all risk of loss, damage, or injury that may be sustained to me personally or those in my custody and/or to my property and hereby do release Nature Trails' Rental and its agents from all claims, demands, actions, causes of action, and from all liability for damage, loss or injury of whatsoever kind, nature or description that I may sustain during the transportation and/or use of the equipment and property of Nature Trail's Rental

I agree to pay Nature Rental for any damage to, or loss of, equipment that may occur during the rental period.
